

Platform Product Manager (d/f/m) Full-Time / Part-Time - in Tübingen on-site

Computomics is a Bioinformatics Agtech company with a vision of contributing to a sustainable future through innovative AI solutions for plant breeding, food safety and food security. Our company is providing bioinformatics services for the analysis of plant data for breeding and bioinformatics customers from all over the world.

We are looking for a **Platform Product Manager** for our technology platform.

Your Tasks:

- ▶ Support the sales team to present the Computomics Platform to customers and elaborate customized propositions for them
- ▶ Define and communicate the long-term vision and strategy for the platform, ensuring alignment with business objectives, customer needs and emerging technologies
- ▶ Maintain and prioritize the product roadmap for the platform, balancing business goals, customer demands and technical feasibility
- ▶ Work closely with software development, research, marketing, sales and delivery teams
- ▶ Leverage user feedback, data and insights to inform platform development and ensure enhancements in user experience, scalability and integration are implemented
- ▶ Partner with marketing and product strategy to develop messaging, training effective communication of the platform's value proposition
- ▶ Collaborate with research to obtain technological input to the platform's capabilities and continuously innovate, to maintain its market leader position
- ▶ Support the onboarding of new customers
- ▶ Analyze internal operations and identify areas of process enhancement

Your Qualifications:

- ▶ Advanced degree in science, technology with a preference for plant breeding, crop science, or bioinformatics
- ▶ Experience with SaaS or cloud platforms, B2B products and infrastructure
- ▶ Strong understanding of data science and machine learning concepts
- ▶ Scientific background with business acumen
- ▶ Consistent record of building collaborative relationships with peers and teams, helping cross-functional teams address strategic opportunities and solve problems
- ▶ A desire and openness to learning and continuous improvement
- ▶ Strong verbal and written communication and presentation skills in English
- ▶ Strong teamwork, collaboration and organizational skills
- ▶ Capable of working autonomously as well as being a proactive team player

Our Offer:

- ▶ Working in an innovative, dynamic and international company
- ▶ Flexible working hours and mobile work
- ▶ Healthy working environment with an openminded and supportive team
- ▶ Continuous training, in-house knowledge transfer, conference attendance etc.
- ▶ Onboarding plan and mentoring
- ▶ Chance to grow with us
- ▶ Family-friendly workplace
- ▶ Ergonomic office furniture and equipment
- ▶ Inspiring and beautiful office view from Tübingen city
- ▶ Fresh fruit and hot/cold drinks
- ▶ JobRad (bike-leasing)
- ▶ Company events (BBQ, company outing etc.)
